LIFE Provides Hundreds of Displaced Families with Food Baskets During the Holy Month of Ramadan

TAIZ, OH, YEMEN, May 6, 2022

/EINPresswire.com/ -- For several years, Yemen has been a country that suffers economically, resulting from war and conflict. With approximately five million displaced persons, the need for basic necessities such as food, water and shelter, is in high demand for many families.

[Ramadan](#) presents a unique time for families in Yemen, who rely on humanitarian aid to properly celebrate the holy month with their loved ones. Every Ramadan season, [Life for Relief and Development](#) (LIFE) provides food baskets to families in need every year in over 25 countries, with Yemen being one of them. Hundreds of families were provided with food baskets in the Taiz and Marib governorates of Yemen this Ramadan. Each basket contained basic food items such as cooking oil, rice, dates, flour, juice and a variety of other items that would last a family of seven for a month.

The Ramadan food basket distribution project provided by LIFE had a great impact on the families that received the baskets," said Muneer Hassan, LIFE field representative in Yemen. "These families have been displaced, some several times, and it was refreshing to see smiles on
